DEDICATION

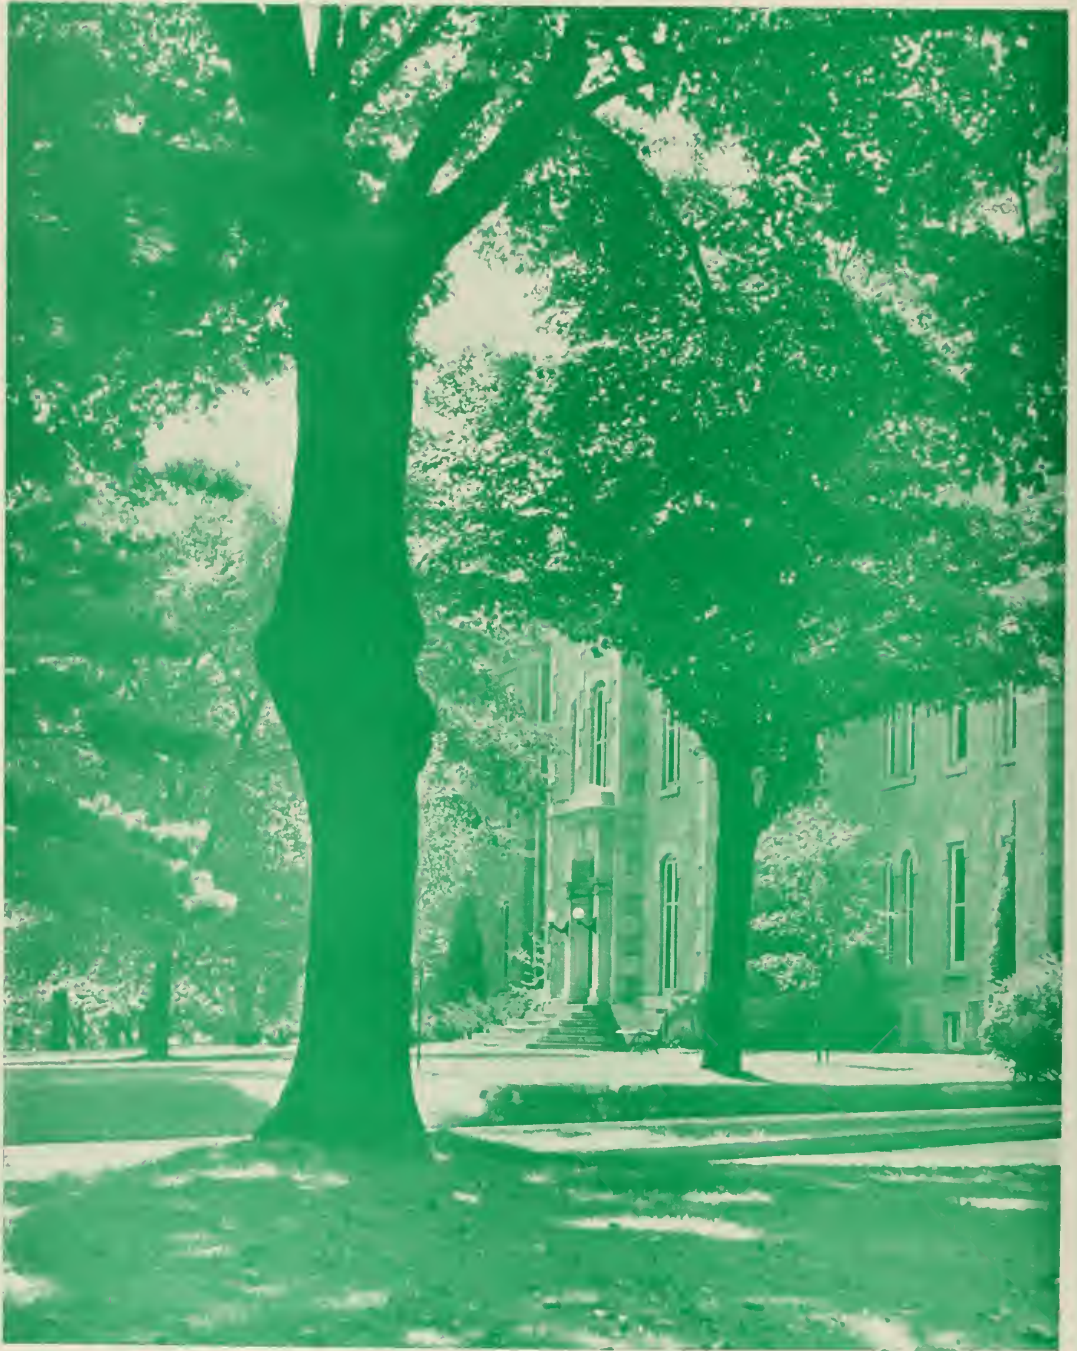

In the years to come, as we look back over the familiar faces and names in this book, there is one personality who will always stand out in our thoughts. This member of our faculty is one who has given years of unstinted service to the administration and to the students of the State Teachers College at West Chester.

We shall remember her as an excellent teacher, as a sympathetic adviser, and as a sincere friend. We shall remember her as the ever alert, forward looking head of her department. We shall remember her as an interested participant in all types of campus activities. Perhaps we shall remember her most vividly as the inspiring conductor of our chapel singing and of our Christmas Carol Services.

It is with sincere pleasure and with grateful appreciation that we, the Class of 1948, dedicate our yearbook to Miss Gertrude K. Schmidt.

Are but a symbol of the light
Which brighter grows from year to year
As learning banishes the night.*

OFFICE OF THE PRESIDENT

May, 1948

Greetings:

This is your 1948 Serpentine - a compact record in picture and story of the activities and accomplishments of your class. As the years go by, it will help to refresh your memory of many enjoyable days and pleasant associations at West Chester State.

You are now ready to assume your place in an unfinished world where there is much unfinished business. To your task you take a good knowledge of the heritage of the past. As teachers of imagination and idealism, you will help to shape a better future.

Education is still in the pioneer stage. The greatest is yet to be. The teaching profession offers unlimited opportunities for leadership and service. Intelligence, grounded in an abiding faith in the dignity and worth of the individual, is essential for advancement. Teachers of deep understanding will inspire mankind to new heights and new blessings.

I hope your years at West Chester will help you to make your maximum contribution toward better and finer living.

Very sincerely yours,

Charles S. Swope,
President

DR. CHARLES S. SWOPE

MR. WINFIELD W. MENHENNETT

GREETINGS TO THE CLASS OF 1948

The United Nations Council, Partition, Veto; Atomic Bomb, World War III, Destruction of Civilization, Communism, Totalitarianism, Democracy; Universal Military Training, Marshall Plan, Civil Rights Program. These terms are constantly before each individual and present problems to challenge the intellect of every American. Do these problems mean chaos to the world, or do they present challenges that may lead to a period of great universal progress?

The members of the Class of 1948 will not be able to dodge these issues. There is no zone of neutrality. Each must take a definite stand and play a part in determining the issues presented. It will call for courage, faith, and a will to seek the Right and work for it.

Your college has attempted to equip you with knowledge and skills. It has given you an opportunity to develop the power of reflective thinking. Prejudice, wishful thinking, and inactivity should find no place in your life. High ideals, faith in America and Americans, and a spirit of fair play should dominate your future.

As you go out to teach, to guide those whose lives you may influence, may you by deed and by precept show them the way to noble living. Be calm, firm, and think clearly. Live above the chaos and confusion of petty jealousies. See clearly the paths leading to world peace and prosperity. Lead others along this path, and your life will be a blessing to them, and a monument of noble character.

With best wishes to each and with high hopes for a successful life of service, I am

Cordially yours,

WINFIELD W. MENHENNETT,
Dean of Instruction

MR. HARRY R. ALLEN
Died November 12, 1947

In memory of Mr. Harry R. Allen, Head of the Health and Physical Education Department for fifteen years, whose genuine sincerity, friendly counsel, and tireless efforts for the advancement of the work of his department will always be an inspiration to his students and associates at West Chester.

Theme—Dedication—Write-ups—Contracts—Deadlines . . . These were only a few of the problems facing the staff that produced the 1948 **Serpentine**. As a representative senior group aided by faculty advisers, this year's staff has attempted to present a record of the Class of 1948 and a view of West Chester campus life.

The Literary staff, under the able supervision of Miss Mary Elizabeth Clark, had the job of collecting and recording data concerning all the campus activities, a difficult task, but the deadlines were met.

The Art staff with Miss Marion Farnham as adviser and the Photography staff also worked hard and faithfully, and it is through their untiring efforts that pictures enliven the write-ups.

SERPENTINE

To our efficient Business staff and their adviser, Dr. Earl F. Sykes, goes all the credit for handling **Serpentine** funds so expertly. Their job was to solicit for advertisers and patrons and to balance the budget, and it is only through their persistent efforts that our **Serpentine** was published.

The degree to which all these staffs have accomplished their task will be determined only by the enjoyment you, our readers, gain.

We, the Staff, wish to thank our advisers and all those people who so willingly gave of their time and energy to help us in this project.

SENIORS

PHILIPS MEMORIAL

Mr. Ginter and Miss Geyer chat over their tea cups.

We shall remember September of 1944 when we began our life at West Chester. The campus was occupied by many girls and just a few men. Our first class president was Richard Grabert, who wielded the gavel only a short time. After he had left for the service, Wanda Wilkie took over, and our first year ended under her leadership. As sophomores we were guided by Jack Brady.

During our junior year, John Meledy took the lead. As juniors we proudly displayed our class rings and pins and also enjoyed our first class formal, the Junior Prom, and our lovely queen, Lois Ann Mulcahey.

Finally we were seniors, and popular Tom Sproule received the mantle as class president. Under Tommy, we spent a very busy year—class meetings, **Serpentine**, Senior week-end, and finally, Class Day, Baccalaureate, and Commencement.

We wonder what we would have done these four years without the sincere, capable assistance of our class advisers. They never missed a class meeting, and nothing was ever too much trouble for them. We take this opportunity to express our deep gratitude to Miss Flo Geyer and to Mr. Lawrence Ginter, our competent advisers and wonderful friends.

OFFICE OF THE DEAN OF WOMEN

To keep things running smoothly in old Main Dorm and Freshman Hall is no easy task, but Mrs. Clyde L. King, dean of women, and Miss Leone Broadhead, assistant dean, together with Mrs. Elsie Bert and Miss Eileen McCormick, never fail to do a splendid job. Trying to help seven hundred girls adapt themselves to college life plus the necessary regulations and system of permissions is their major responsibility. Always on call and responding graciously to any of the crises, large or small, that make up life in the dormitory, the Office of the Dean of Women is appreciated for its real interest in the well-being and happiness of our students.

MISS LEONE BROADHEAD, MRS. CLYDE L. KING

MR. WILLIAM BENNER, MR. W. GLENN KILLINGER

OFFICE OF THE DEAN OF MEN

With the post-war influx of returning veterans to the West Chester campus, the many problems which find their way to the Office of the Dean of Men have increased proportionally. Mr. W. Glenn Killinger and his assistant, Mr. William Benner, have played important roles in solving these personal and scholastic difficulties of the men students. Supervising Wayne Hall activities, handling the emergency housing situation, and striving towards an improved organization of all college facilities are the major objectives of this office.

MR. EMIL MESSIKOMER

PERSONNEL OFFICE

Many footsteps have been felt by the carpet in the office of Mr. Emil Messikomer, our personnel director, for this office is one of the busiest in the school. Its many duties include supervision of student employment on campus, administration of student loans, sponsorship of college testing programs, and direction of extra-curricular activities. The Personnel Office exerts a profound influence on the students and faculty alike, for any information, be it club news, percentile ratings, or the latest announcements, can be secure here.

REGISTRAR AND DIRECTOR OF ADMISSIONS

One of the most valuable additions to the administration of West Chester State Teachers College in the past few years is the Office of the Registrar and Director of Admissions. Dr. B. Paul Ross heads this department, which has already gained a reputation for efficiency. Dr. Ross's responsibilities include the admitting and registering of new students, recruiting future teachers, and interesting high school pupils in the teaching profession. The effectiveness of this new office guarantees the future competency of the West Chester student body.

DR. B. PAUL ROSS

DR. EARL F. SYKES

DIRECTOR OF STUDENT TEACHING AND PLACEMENT

To Dr. Earl F. Sykes, Director of Student Teaching and Placement, goes the task of assisting superintendents, principals, and school directors in the selection of qualified candidates for teaching positions. The Placement Bureau has aided many of our graduates in obtaining satisfactory employment. Dr. Sykes also directs the student teaching activities on campus, a duty which he pursues with his usual efficiency, geniality, and sincerity.

BUSINESS OFFICE

One office known to every person on campus is the Business Office, headed by Mr. Everett E. Shaefer. To Mr. Shaefer and his able staff falls the task of administering the finances of the college. Keeping books and records is an arduous task, but their work includes more than this. The selling of hundreds of trolley tickets, the dispensing of bills during the semester, and the keeping of individual receipts and records are also parts of their gigantic work. Even so, the Business Office manages to maintain its reputation as a most successful and efficient organization on campus.

MR. EVERETT E. SHAEFER

MR. THOMAS PITT

MAINTENANCE DEPARTMENT

Although we are not always aware of the many duties performed by the Maintenance Department, this staff keeps our school running smoothly. To Mr. Pitt, head of the department, falls the task of purchasing food supplies, supervising construction work on campus, and overseeing the laundry service, the power house, and all things necessary to the maintenance of safe and healthful living conditions.

To provide well-balanced meals is the work of our competent dietitian, Miss Barbara Kennedy. The comforts and pleasant surroundings of the dormitories are a credit to Mrs. Patterson, our housekeeper. Order and efficiency are the outstanding qualities displayed by this department.

HEALTH SERVICE

For their splendid leadership in the student health program, we can give credit to Dr. Kistler, Miss Eves, and Mrs. Allewelt. These distributors of pink cards, sugar pills, and brown cough medicine deserve our appreciation for helping to maintain the excellent health status of the college. The student body is indeed indebted to these guardians of health who are ready to serve at all times.

MISS EVES and MRS. ALLEWELT

WE HONOR

MISS HARRIET A. ELLIOTT
Head of the Geography Department

MISS MARY CONNELL
Education Department

Miss Harriet A. Elliott came to West Chester in 1922, at which time she was a member of the Science Department. When the Normal School became an accredited college, Miss Elliott was made head of the newly created Geography Department, a position which she has ably filled. Her interests in geography have not been limited to the West Chester campus, but have extended throughout our service area and the state. She is an active member of and contributor to many local and national geographical societies and other scientific groups. She is also a well-known author of geographical literature.

Miss Mary Connell first came to this campus as a student of the West Chester State Normal School. In 1924 she returned to her Alma Mater as a director of student teaching, a post which she held for three years. Since that time she has been a dynamic member of the Education Department. Besides her classroom duties, she has been very active in the Alumni Association and has headed many committees. One of her most creditable contributions was the establishment of a branch of the Newman Club on this campus.

Their retirement at the end of the college year is a great loss to West Chester. We extend to them our sincere thanks for their unselfish services. We are grateful to them for the maintenance of a high standard of scholarship both for themselves and for their students.

CLASSES

ANDERSON HALL

FRESHMAN CLASS

The Freshman Class, composed of over five hundred students, has already become a vital part of the West Chester campus. An afternoon tea dance, freshman weekday dances, and a semi-formal dance honoring juniors were a few of the activities sponsored by this class. During the exciting days before our football team went down to Tennessee for the Burley Bowl Game, the freshmen sponsored the pep rallies held in the Quad.

These activities were planned by an executive committee composed of twelve members of the class, one from each section, who worked along with the officers.

Guided by Miss Myra Wade and Mr. Joseph Davison, the class is looking forward to a very worthwhile college life.

SOPHOMORE CLASS

One of the highlights of this year's chapel programs was a program featuring Leroy Miller of Station WFIL in Philadelphia. The Sophomore Class was responsible for this delightful entertainment.

Another of its projects was sponsoring a formal, "The Snow Dance," in honor of the Senior Class. A class picnic and class parties made up part of its spring activities.

With two years of college remaining, the class, ably advised by Miss Thelma Greenwood and Mr. Lloyd Mitchell, shows promise of becoming one of West Chester's finest.

JUNIOR CLASS

The Junior Class schedule was both a busy and an important one. First on the long list of activities was the sponsorship of the Freshman Class until it had been organized. Then came the ordering of class rings and pins. The culmination of three years of working together as a class took place when the Junior Prom, "The Gold Rush of '49," was presented in November with Patricia Borges reigning as "Queen." And last on the list was the important elections of Senior Class officers and the editor and business manager of the 1949 **Serpentine**.

When we get our **Quads**, we often do not realize the work that the staff has done in order to produce for us a record of campus activities. Without the loyal reporting and editing of the **Quad Angles** editorial staff, much of college life would be missed, for **Quad** keeps us up on the news of the administration, of our activities, and of sport teams. In addition, we are kept up to date on popular movie ads and on the amusing but perhaps more insignificant items such as we see in "Dark Corners."

Our many thanks go to the editors and members of the news staff of **Quad** for their faithful service.

No organization can ever be complete without that part of it that makes and spends the money. Such is the job of **Quad Angles** Business Staff. These people are not only skilled as far as mathematics goes, but their salesmanship can hardly be surpassed. Tramping the town and neighboring vicinity for ads is not easy at any time. But this staff always comes through with flying colors, and **Quad** still remains West Chester State's best contact with the outside world.

We take this opportunity to thank the members of this little publicized but very busy staff.

A newly organized club on campus is the Art Club, comprised of twenty-five members interested in creative art led by Dr. John Lembach.

Varied activities include pencil drawings, shading of figures, casts and designs, water color, tempera, fresco, and oil painting. Some members draw the costumed figure and stencil designs; others especially interested in design are working with simplified abstractions which they create themselves by beginning with straight and curved lines to enclose space. Through various stages realism is introduced into the design.

The membership is composed of one representative from each table in the college dining room. Serving after-dinner coffee is one of the main activities of the organization. One of the aims is to improve the decorum of the dining room.

This year the Club is eager to secure an amplifying system for the gong and for the various announcements.

LITTLE THEATRE

Probably many of us never realized what dramatic talent our college possessed, but after seeing several of the plays produced by Little Theatre we are quite aware of such abilities. Under the supervision of Miss Barrer the club has presented such successful plays as "The Devil and Daniel Webster," "A New Way to Pay Old Debts," and "The Terrible Meek."

The organization provides an opportunity for students to make use of their dramatic talents, and by doing so, to entertain other students of the college.

SPEECH CLINIC

In an effort to aid college students as well as community children in the correction of speech defects, Miss Tyson has built a speech clinic of wide renown. In this clinic she has trained students to help those desiring or needing attention. Here, defects of voice, speech, and ultimate behavior are individually diagnosed and treated with sympathetic guidance and wise supervision. The work here is correlated with the regular classroom activity. Miss Tyson extends a welcome to all visitors.

One of the major projects of the F.T.A. this year has been the completion of a set of slides entitled **Why Not Teach**, together with a commentary. The purpose of these slides is to interest high school pupils in the teaching profession.

Another major activity was the Conference of F.T.A. Clubs in this area, the first time anything of this nature has been undertaken in this region. Other activities included panel discussions of state legislative bills dealing with education and talks by guest speakers, whose subjects included the "Supply and Demand of Elementary Teachers" and "Pointers for Placement."

ASSOCIATION FOR CHILDHOOD EDUCATION

The West Chester A.C.E., a branch of the National and International Association for Childhood Education, has played an important part in activities of interest in childhood. This fall the group conducted a community project at the West Chester Community Center followed by a Christmas party for the children. This semester's activities included the study and work for better school buildings and equipment, besides plans to interest high school students in the teaching profession. Through bulletins and the magazine, **Childhood Education**, the National A.C.E. gives suggestions for this work. As a college branch, the West Chester Club is striving to carry out the national program.

Self-education and community aid are the two purposes for which the Negro Education Club exists. At club meetings the members become acquainted with the contributions of those Negroes in the United States who have gained recognition in various fields, such as sports, science, and music. In addition, the members of the organization hear speakers and go on field trips to broaden their understanding of modern educational practices. Interested not only in furthering their own plans, but also in aiding those less fortunate, last Christmas the club members generously provided baskets of food for needy families in the community.

Club members form committees and bring their reports to the general meeting. During the first semester discussions centered around problems of vital interest on government and world affairs. Members also directed a model Congress in Chapel, where the question "Should the United States fight Communism with dollars?" was debated. The two-fold purpose of the club is to participate in the Intercollegiate Conference and to stimulate interest in government affairs.

SOCIAL STUDIES PROFESSIONAL CLUB

One of the active groups on campus is Dr. Heathcote's organization, the Social Studies Professional Club. The purpose of this club is to build a better understanding of our American heritage and thereby to promote world peace through leadership in teaching and citizenship in living.

West Chester is rich in famous landmarks and valuable data on our early history. Among the various trips taken were two of unusual historical interest. One was made to the Lafayette Marker, which designates the place of Lafayette's review of the local troops on his last trip to America; the other, to the Lincoln Plaque on West Market Street. Dr. Heathcote lectured on the value and the methods of doing primary research.

GEOGRAPHY PROFESSIONAL CLUB

It has become necessary to divide this club into two sections. About seventy students have been attracted to the organization because of the practical program that it offers. Each section is divided into several groups of four or five members. The purpose of the club is to provide students with information about various geography clubs and to aid them in developing and formulating plans for the organization of such groups wherever they may teach. Members gain practice in conducting many different geography clubs, such as Making of Models Club, Use of Tools Club, Wild Life Club, and Maps Club.

The main purpose of this club is to provide a cultural and religious background of Judaism and to emphasize brotherhood.

During the course of the year the members have been fortunate in listening to Jewish music, in seeing a **March of Time** film on "Palestine," and in discussing the affairs of Jewish life and customs. Through the club, the students are aided in preparing for their Jewish holidays.

NEWMAN CLUB

Under the direction of Miss Mary Connell, this organization aspires "to deepen the spiritual and to enrich the temporal lives of its members through a balanced program of religious, intellectual, and social activities."

A member of the National Federation of Newman Clubs, the group strives to assist the college and its students whenever possible.

The activities for this year included two Corporate Communion, lectures by many prominent leaders, and a dinner-dance. The speakers were Father Schuyler, Pastor of St. Agnes' Church in West Chester, Mr. Reilly, lawyer from West Chester, Dr. Heathcote, and Mr. Bonder.

Working together as the combined Young Women's and Young Men's Christian Association, the Student Christian Association has become one of the largest clubs on campus. The organization began one of its most thriving years with a membership of three-hundred fifty.

Guided by the capable leadership of Miss Knapp and Dr. Cressman, the S.C.A. has planned many enjoyable weekly programs stressing spiritual needs. Special programs included a Christmas Service, Easter Dawn Service, and the Spiritual Emphasis Program. Other activities throughout the year were a supper hike, Christmas caroling at various hospitals and homes, a Christmas bazaar, and many community projects.

BIBLE STUDY CLUB

During the first semester the Bible Study Club was engaged in a study of the prophet Isaiah. The study was conducted by the club adviser, Dean Menhennett. The second semester was devoted to a study of many non-Christian religions, including Mohammedanism, the Baha'i Faith, Taoism, Confucianism, Buddhism, and Judaism. A guest speaker of the Baha'i Faith presented an interesting picture of her beliefs. A rabbi will speak to club members about the Jewish religion; a trip to a synagogue has been planned for the group.

Standing: Mr. Ginter, McPherson, Herr, Norris.

Each semester students are required to pay a fee of ten dollars, which is distributed among the various extra-curricular activities associations. At the beginning of each school year the funds are budgeted by this organization.

The All-Star series is one of the important items on the budget. This year we have been privileged to hear Karin Branzell, an all-American quintet in a concert of Viennese music, Miklos Gafni, duo-pianists, Michael Field and Vera Appleton, lecturers, Robert Smith and Sir Frederick Puckle, and The National Symphony Orchestra.

The all-college parties, which have been enjoyed by everyone, are also sponsored by the Student Activities Association.

ADVISORY BOARD

The Advisory Board serves as the connecting link between the Women's Day and Dormitory Councils and acts, as the names implies, in an advisory capacity by planning an over-all program for the Councils. In order to foster helpful and happy relationships among the students, the Big-Little Sister organization is sponsored by this Board.

One of the main functions of the Advisory Board is to sponsor social affairs to which all students are invited. Such events include the tea given in honor of the seniors, the Purple and Gold Ball, and the quiz program in chapel between faculty and students. Perhaps one of the most enjoyable activities of the Advisory Board was the serving of hot chocolate in Anderson Hall during exams.

 Fourth Row: C. Erb, Kratz, Weaver, Clevenstine, Fucci, Caldwell.

The primary function of the Women's Dormitory Council is to serve as a link between women resident students and the college administration. Every member of this organization, one living in each hall of the dormitory, carries problems and suggestions of the girls in her group to council meetings for discussion. Resulting decisions formulate the future policies of the dormitory.

The Council annually sponsors all Big-Little Sister activities, informal dances, and, in cooperation with other existing councils, presents the Mid-Winter Formal. This year, under the capable direction of president Katherine Margerum, the organization provided improvements for the dormitory study rooms and initiated "Queen for a Night," a successful all-women banquet-entertainment.

MEN'S DORMITORY COUNCIL

This year found us with the largest council in the history of the college. Owing to the additional housing units, a larger number of members were elected to the dormitory council to insure representation for all.

As before, the council worked in conjunction with the Advisory Board and the Day Student Councils to present the Mid-Winter Formal. In addition, it helped the Women's Dormitory Council in presenting the pre-Burley Bowl program.

Last but not least, an academic adjustment committee tried to aid many new students who had difficulty with their courses.

The main purposes of the Women's Day Student Council are to represent the day students in campus government and to promote friendly relations between dormitory and day students. The Council has charge of the Day Student lounge, kitchen, locker room, dining room, and study room. The yearly dues are used for the upkeep of these rooms and to provide magazines and newspapers for the students.

This council is also responsible for the many social functions concerning day students. The Annual Tea Dance and a St. Patrick's Day Party were sponsored by this group. With the Dormitory Council, they presented the Mid-Winter Formal and the Christmas Dance.

MEN'S DAY STUDENT COUNCIL

This year, more than ever before, has shown us the need for increased understanding and cooperation between the day students and their dormitory counterparts.

The council has endeavored to bring this about by having chapel meetings for all day student men, at which time pertinent issues are discussed. In addition, the more efficient mail system and subscriptions to magazines and daily newspapers have all contributed to raising the day student morale.

These make up the initiation garb of the girls in the curriculum who desire to join the club at the beginning of the sophomore year.

As in previous years, the Tuberculosis Christmas Seals were sold throughout the college with these girls taking full charge of the campaign.

The close of the college year once again brought back alumni and friends to witness the outstanding Valkyrie Show, "Down on the Farm."

VARSITY CLUB

The Varsity Club has as its main objective the promotion of interest in sport activities on campus. The **Ram's Horn**, official Wayne Field football program, was one of the mediums used to obtain this objective. The culmination of the efforts of the club to produce an entertaining and interesting football program came in the "Fall Sports" issue, in which all the fall athletic teams were honored.

"The Wayne Hall Follies," a traditional event each spring at West Chester, was again sponsored by the "Wearers of the 'W'."

The Women's Recreation Association is a club which sponsors more variety in sports than any other club on campus. Every woman student is a member of this club, and in order to be classified as an active member, the student needs only to participate.

Several new sports were added to the W.R.A. calendar this year, including bicycle and hiking trips, roller skating, and ice skating.

Our goal in the future is to organize a more extensive field in sports and also to broaden our interests so that our club will be used by a greater number of students.

FRIARS

The birth of the Friars took place during the 1937-1938 college year, when eight seniors decided to perpetuate their undergraduate friendship. There are now two hundred fifty graduate members and sixty undergraduate. The club endeavors to bring into its fold men who display qualities of friendship, leadership, and strength of character.

Contributions include the awarding of a yearly one hundred dollar scholarship to a worthy male student of the Junior Class, the presentation of the Blackburn Trophy, and individual awards to the winners of the intra-mural basketball play-off, and the sponsorship of social activities on and off campus.

THE MARCHING BAND

The crowd rises in the stands! Then there is a burst of applause! The college Marching Band is coming on the field. This year the Marching Band rose to great heights and won new glory. Under the excellent leadership of Mr. Antonowich and Mr. Carson, the band was the finest we have ever seen.

Towards the close of the football season, the band got their new uniforms, for which they had been waiting so long. At Thanksgiving the band traveled with the football team to the Cigar Bowl Game in Tennessee and won praise for itself and for the college.

SYMPHONY ORCHESTRA

This year our Symphony Orchestra seemed to be one of the best we have had at the College for a long time. The large enrollment has brought into the orchestra many instruments we have not had before. The balance of instrumentation has been especially good this year.

Small groups from the large orchestra have accompanied the Senior Chorus in concerts. Other appearances have been programs on the radio and in neighboring high schools.

SINFONIETTA

The very select Sinfonietta, our orchestra of about thirty players, numbers among its members some of the most talented musicians on campus. Its annual concert is always an inspiration to all students. Mr. Keenan's fine conducting has been a great factor in the development of this musical group. THE CRITERIONS

West Chester can boast of the best college dance band in the East. Yes, our own Criterions! What would our after-dinner dancers do without the Criterions? Then, too, we have them to thank for the extra special music for those super formals.

Al Reimschissel is the man in charge of the baton this year. He also does a fine job on the tenor sax. If you have wondered about some of the fine arrangements the Criterions play, here is a little known fact. Many members of the band write their own musical arrangements. This band also plays at many off-campus affairs. We just cannot praise the Criterions enough. Thanks, fellows, for your grand music.

Seated: Reimschissel.

Standing: Meyer, Scheff, Natoli, Taylor, Saylor, Ward, Barth, Transor, McLean, Heck, Stringer, Murray.

COLLEGE CHOIR

The College Choir, under the direction of Mr. Arthur E. Jones, numbers about two hundred twenty voices. Made up of music students, the College Choir made its first appearance this year in the Christmas Carol Service. The works studied by the choir are many and varied, and range from Palestrina to modern American composers.

The Choir appeared in two large campus concerts. "The Messiah" by Handel was presented at the Christmas season. On May the ninth the Choir combined with the Girls' Junior Chorus to sing Verdi's "Requiem." This great work was done with a chorus of two hundred voices accompanied by the orchestra.

JUNIOR CHORUS

The Junior Chorus, under the direction of Miss Gertrude Schmidt, is composed of the sophomore and freshman girls of the Music curriculum. Their work is chiefly three-part singing. This work is done with the double purpose of giving pleasure to the listeners and of giving the girls knowledge useful to them in junior and senior high school glee club work. The Junior Chorus made a splendid contribution to the Christmas Carol Service.

GIRL'S GLEE CLUB

Musical talent is possessed by many students at West Chester who are not in the Music Department. This fact is vividly demonstrated by Miss Emma Kiess's Girls' Glee Club. It is composed of girls who are not in the Music curriculum, but who enjoy singing in a well-organized chorus. Members are chosen for their reading ability and tone production.

Miss Kiess has selected a variety of music this year, including classical, folk, and popular. The Glee Club sang in the Christmas Carol Service. In April the Club presented a very enjoyable program.

MEN'S GLEE CLUB

The Men's Glee Club is under the direction of Mr. Arthur Jones. The organization numbers about forty men. The Glee Club is open to men of all curricula of the college. The Glee Club participated in the Wayne Hall Follies, and their fine singing added much to the Christmas Carol Service.

The Glee Club has sung a wide variety of music this year, including religious selections, folk music, and classical music. This organization offers to all men of the college an excellent opportunity to sing in a fine choral group.

The Music Club, with a membership of fifty, has offered to its members many musical activities. Besides putting on interesting programs of singers, pianists, string and brass ensembles, and dramatic recitations, the Club prints its own musical newspaper. The Club plans to start a library of many new records for its own use.

PHONOGRAPH CLUB

Members of the Phonograph Club can well qualify as good listeners for that is the main activity in this club of appreciation and enjoyment of music on records. Because of the large membership this year, the Club was divided into two groups. One group met on Thursdays at three-thirty; the other group, Thursdays at four-thirty. The members select their own programs by voting, and the results fall into the classification of "good music." To add to their enjoyment of the music, many members of the club have brought librettos of the operas and scores of the symphonies. Its slogan could well be "Music for music's sake."

CHESS CLUB

Table I: Rees, Damica, Dallam, Padel, Trauger, Tyson.

Table II: Neerenberg, Peters, Gaod, Anderson, Blumberg, Frazier.

The Chess Club was first organized in 1942; it was disbanded during the war. This year it was reorganized by Harold Neerenberg and has become a very popular activity on our campus. The club aims to establish teams to play other colleges and to teach those interested to play chess. The enrollment for the second semester has doubled that of the first semester.

The Bridge Club is one of the more recently organized clubs. Its purpose is to furnish an opportunity for beginners to learn and to afford pleasure to those already experienced in the game. The members may play under organized set-ups of individual tables or in tournaments.

The club meets every Monday for an hour and a half. The first and third Mondays are official meetings when attendance is taken, while the second and fourth Mondays are social meetings.

PHOTOGRAPHY CLUB

The Photography Club has devoted its efforts to the advancement of the student interest of the photographic arts, and has answered the call by making the organization thrive with enthusiasm. The club activities were varied this year, and all of the meetings were conducted by the members, for the members, and on topics that were of interest to all. There were, of course, the usual discussions of the fundamental photographic processes, such as developing, printing, and enlarging, but the special features consisted of talks on composition, color photography and the club's annual exhibit of its own work. The club traveled to the Fifteenth Wilmington International Salon of Photography, held at the Delaware Art Center on February thirteenth.

OUR ALL—AMERICANS

William Bea was selected by the National Soccer Association of America for the All-American Soccer Team of 1947. He also toured the Midwest with the Eastern College All-Star Team. The Oxford fullback has the unusual ability of kicking the ball over half the length of the field equally well with either foot.

Benedict Coren, West Chester's "watch charm guard" for the past three years, received numerous recognitions for his outstanding playing during the 1947 gridiron campaign. The one hundred sixty pounds of dynamite was selected for the 1947 All-State Team and for the All-East College Football Team; he received honorable mention on the Associated Press All-American Team.

The West Chester students, faculty, and alumni are proud of our All-Americans for the many honors that they brought to themselves and to the college. Their All-American status is a deserving tribute to their conscientious participation and outstanding ability.

West Chester 20

Moravian 6

Coach Glenn Killinger's Golden Rams opened the 1947 season with a successful conquest of a scrappy Moravian College eleven by a 20-6 count. Halfback Nick Di Franks recovered a Greyhound fumble on the Moravian nine yard line to set up the initial West Chester touchdown. After a series of quick opening plays, Joe Carloza circled the left flank for the score.

The veteran guard, Marty "Toe Toe" Koons, accounted for the game's most spectacular developments as he drop-kicked a fifty-five yard field goal in the second quarter, and duplicated this feat in the third from a difficult angle. Joe Da Lanzo drove over tackle for the second West Chester touchdown.

West Chester 33

Drexel 13

The following night Drexel Tech was the Rams' second victim. The light and inexperienced Dragons put up a stubborn battle for the first half, but weakened when the Purple and Gold unleashed its vaunted attack in the third period with four visits into the end zone. Before the half, the Dragons scored after having recovered a West Chester fumble on the Rams' twenty yard line.

West Chester exploded in the third period when Da Lanzo returned the kickoff to the Drexel forty-eight, and Carloza scampered down the side lines behind a hord of blockers for the second touchdown. A few minutes later Carloza scored again. Dick Boccelli recovered a Dragon fumble on the Drexel twenty-seven, and the Rams turned it into their fourth touchdown when Da Lanzo carried the pigskin over the line. Basile concluded the West Chester offensive with a thirty-three yard sprint.

The Dragons ended the scoring festivities late in the last quarter when Donovan intercepted a West Chester pass and raced twenty yards.

West Chester 33

Pennsylvania Military College 0

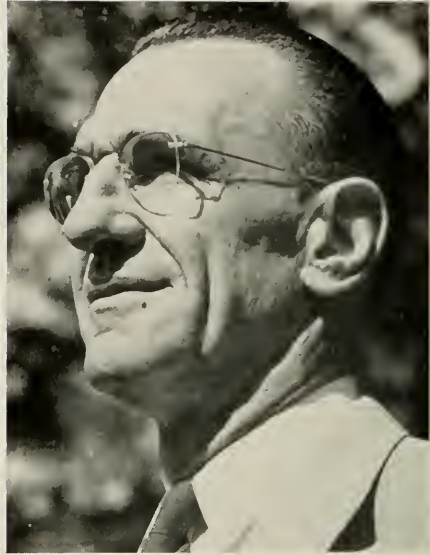

The Rams rolled to their third straight victory on Wayne Field a week later as the Cadets from P.M.C. were repelled 33-0. In the first quarter West Chester recovered a P.M.C. fumble on the Cadets' twenty-three yard line and drove to the four to set up Jackie O'Donnell's end run for the first touchdown.

The Purple and Gold scored again in the second period on a forty-eight yard drive; Waldman drove over on a delayed buck.

Carloza went wide for a fifty-five yard jaunt for the fourth touchdown, and a great block by Walt Blair broke him loose again for a twenty-eight yard sprint for the final score.

CAPTAIN LOWANS

COACH KILLINGER

West Chester 20

Albright 7

The Golden Rams left Wayne Field after three straight victories and recorded their fourth in Reading by defeating Albright 20-7. The Teachers dashed a 13-0 half-time lead when Joe Da Lanzo intercepted an Albright aerial and weaved thirty yards for the initial West Chester touchdown. In the second period the Rams drove forty-one yards with Willey crashing over from the six. Albright recovered a West Chester fumble early in the third period on the Rams' five yard line, and scored on the next play. After a sustained drive, Da Lanzo's pass to Leonard was good for twenty yard scoring play in the last quarter.

West Chester 14

Lock Haven 6

Lock Haven, the only team to defeat the Rams during the 1946 season, made a valiant effort to repeat its performance, but finally succumbed to the Rams 14-6 after a bitter battle on the soggy upstate turf.

The Eagles scored first by recovering a West Chester fumble on the Rams' forty yard line. Three running plays advanced Lock Haven to the ten yard line, and a pass from Maurer to Smith gave the Eagles a six point lead.

Six plays after Lock Haven had kicked off, Joe Carloza gathered in a pass from Wayne Schneider and went sixty-six yards to tie the score. Seconds later, Di Serafino kicked the extra point to give the Rams a 7-6 half-time lead. West Chester put the game on ice as it broke Carloza loose again for a forty-eight yard touchdown.

West Chester 6

East Stroudsburg 0

Captain Warren Lowans led his team to a foreign field for the third successive week, and returned with victory number six over tough East Stroudsburg by a close 6-0 margin.

Wayne Schneider's long distant kicking kept the Warriors in check during most of the game. The one hundred seventy-five pound quarterback set up the only score with a zooming punt that rolled out on the Stroudsburg one yard line. West Chester took the return kick on the Red and Black's forty-five. Paul Willey drove to the twenty on two plunges. Da Lanzo was forced out on the five after receiving a short pass from Schneider. Carloza was stopped at the one on a cross buck. Schneider sneaked over for the only score.

Polis, Lowans, Rickenbach, Coren, Steiner, Jurich, Buchy.

West Chester 35

Rider 0

The undefeated gladiators of West Chester returned to Wayne Field to chalk up their seventh straight verdict at the expense of Rider College by a 35-0 score.

Two early scoring runs by Joe Steiner were nullified by penalties, but the Rams finally cashed in after Dick Boccelli blocked a punt on Rider's twenty, where Harrison Stump scooped up the ball and ran into the end zone. Carloza scored the second six pointer from the sixteen after West Chester had driven from its own nineteen yard line. In the third quarter the Rams garnered another when John Antoni cracked over from the three. Carloza went on another of his long excursions in the last quarter. Antoni intercepted a Rider pass and dashed forty-seven yards for the final touchdown-Ray Di Serafino kicked all five extra points.

West Chester 47

City College of New York 9

Wayne Field was the site of West Chester's eighth and most decisive victory, as the Rams rolled to a 47-0 triumph over C.C.N.Y. before an overflowing crowd that included members of Tennessee's Burley Bowl Committee.

Joe Carloza scored four touchdowns, raising his season's total to thirteen. The South Philadelphia freshman ran sixty-one, five, fifteen and seventeen yards for counters.

The three Joes, Carloza, Da Lanzo, and Jurich, together with Di Serafino and Sonny Leonord, all played their best. Ed Taylor concluded the scoring on Wayne Field for the 1947 campaign with a five yard buck for the Rams' sixth touchdown of the evening. Later Coach Killinger's team received and invitation to play in the Burley Bowl in Johnson City, Tennessee, on Thanksgiving Day.

West Chester 6

Millersville 0

Millersville's Marauders stymied the bowl-bound Rams for three quarters on the muddy Lancaster county gridiron, but Paul Willey kept West Chester's unblemished record intact as he scored on a twenty-five yard dash in the last few minutes.

The Millersville field was blanketed with a light snow before game time. During the course of action the field became so muddy that the spectators couldn't distinguish one player from another.

In the last quarter, great running by Carloza set up the only score. From the Millersville twenty-five Paul Willey drove over the left side on a cross buck for the six points that recorded the ninth victory for the Purple and Gold.

BOWL GAMES

BURLEY BOWL GAME

West Chester 20

Carson-Newman 6

West Chester's Golden Rams turned back a stubborn Carson-Newman eleven 20-6 in the third annual Burley Bowl game at Johnson City, Tennessee, on Thanksgiving Day before twelve thousand spectators.

West Chester scored first as half back Jackie O'Donnell intercepted an Eagle pass and ran to the Carson-Newman thirty-five. Schneider's pass to Willey was good to the thirteen. Da Lanzo picked up three to the ten yard line. Antoni plowed through the middle to the three on two attempts. Carloza skirted the left flank and was brought down a yard short of a six-pointer. Schneider sneaked over on the next play, and Koons kicked the extra point to give the Teachers a 7-0 lead.

The Tennessee team recovered a West Chester fumble on the Rams' twenty-five and quickly turned it into a score as Moffett's pass to Jennings was good for a touchdown. The Eagles' extra point attempt was blocked. The first half ended with the Rams holding a slender 7-6 margin over the Southerners.

It was all West Chester in the second half as the purple-shirted Pennsylvanians tallied two more touchdowns. In the third period Sonny Leonard blocked a Carson-Newman punt on the enemy's ten, and made his way to the one yard line before being downed. Willey went over to make the scoreboard read 13-6. The conversion attempt failed.

Dave McNickle led the next Ram onslaught that started on the West Chester thirty-five and paid off when a Jones to Antoni pass was good for the last sixteen yards. Koons kicked the extra point to make the final count favor the Rams 20-6.

After the game the Bowl Committee presented the winning Rams a trophy at a banquet honoring both squads.

CIGAR BOWL GAME

West Chester 7

Missouri Valley 26

The Missouri Valley Vikings, undefeated in thirty previous games, added another victory to their record as they overpowered a strong West Chester eleven 26-7 in Tampa's Cigar Bowl on New Year's Day, 1948.

The Vikings' emphasized running game was enough to offset the brilliant passing and kicking of the Rams, who were hampered by an overdose of bad breaks under the sweltering Florida sun.

Missouri Valley returned the opening kick-off to its own twenty yard line and scored five plays later. In the same period Wayne Schneider's beautiful passes went for naught as the Ram receivers had difficulty catching his heaves.

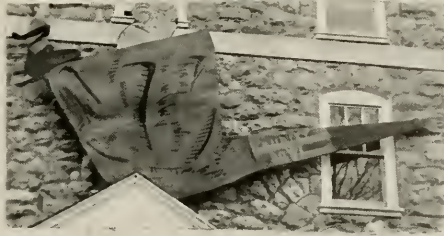

In the second quarter the Missourians scored again on a sustained march that started on their side of the field. The half ended with the Purple and Gold on the short end of a 12-0 score.

Drives of sixty-six and sixty-two yards netted the Vikings two more touchdowns in the second half. West Chester's lone touchdown came shortly after the opening of the last quarter when a Jones to Stump pass and a penalty against the Orange team finally advanced the pigskin to the one where Jones sneaked over.

The Ram team displayed the most spectacular developments of the game. Paul Rickenbach and Harrison Stump made miraculous catches, and the passing of Wayne Schneider and Buck Jones drew the praises of the ten thousand shirt-sleeved spectators. Schneider's sixty yard punt that dropped on the one yard line was another high light, as was the great running of Paul Willey. However, the Missourians' perpetual sharp blocking, deceptive running, and hard tackling proved to be the key note of success.

Mr. Benner, Monska, Gozzard, Sharp, James, Beisel, Marsden, Cutaiar, Dollarton, Link, Shetter, Barnhardt, Boas, Bea, Sproule, Johnson Hoffman, Henricks, Raffensberger, Price, Seymour, Mr. Waters.

In building the team for 1947, Coach Earl Waters, now in his seventeenth year as coach of the Rams' Soccer Team, had only six members of his '46 team with whom to start. With new booters plus those moved up from the Junior Varsity of '46, he developed a team that gained the respect of every opponent. Led by Captain "Whitey" Shetter, the Purple and Gold team became known for its "never die" spirit and fight. The team suffered a set-back midway through the season when Walt Quay and Doug Sheppard were declared ineligible for the rest of the games. Though the record of the team showed seven victories and four losses, West Chester received national recognition when Bill Bea, left fullback, was named on the All-American Team. Again the team received honors when Bea, Seymour, Cutaiar and Dollarton were selected to play in the final trials of the eastern division for a place on the U. S. Olympic Team.

CROSS COUNTRY

Under the purple and gold mast, the West Chester Cross Country Team mapped out its course, and steered by Coach Charles Graham, sailed for the second straight undefeated adventure and on to the Ninth Annual NCAA Cross Country Championship Run at East Lansing, Michigan, where the Rams captured sixteenth place among the leading college teams of the nation.

The Ram Harriers have undoubtedly made the 1947 season the greatest in the history of West Chester. With Captain Bob Kerper at the helm, the runners swept to seven victories, winning four by perfect scores and amassing a total of one hundred eleven points out of a possible one hundred five. The season was anchored with West Chester's first appearance in the National Collegiate Cross Country Meet, where it gained national prominence as the men plowed through eight inches of snow and freezing temperature over Michigan State's four mile course.

 Second Row: Reese, Link, Dallam, Maitland, Triano, Harvey, Dr. Trezise.

During the first part of November, Dr. Trezise put out his initial call for grunts and groaners. Only a few men were left from the previous year. By the time the first meet rolled around, the team was composed of freshmen, sophomores, and one senior. With this team, W.C.S.T.C. had the most successful season, winning five straight (C.C.N.Y., P.M.C., Brooklyn College, East Stroudsburg, Loyola University) before bowing to a powerful Millersville squad. What made the season even more impressive is the fact that they accumulated one hundred thirty-one points against their opponents' fifty-two.

The popularity of wrestling during the 1947-48 campaign was evidenced by the overflow crowds at Ehinger Gymnasium and is indicative of the splendid performance of the squad.

The "Doc" has hopes for an even better team next year, since he will lose only one man from his varsity squad.

SWIMMING

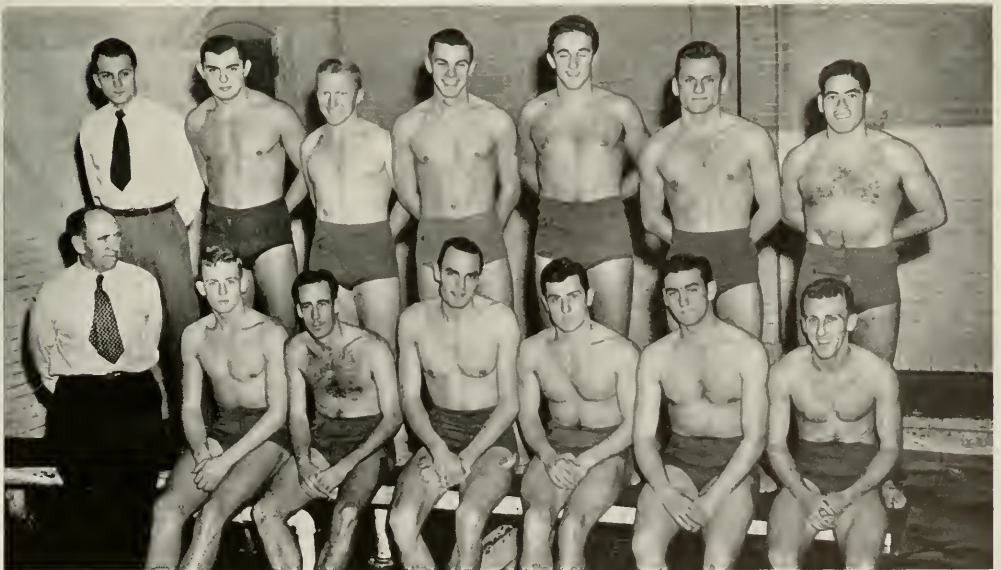

The Mermen of West Chester, coached by Mr. Charles Graham and led by Edward Bitner, faced a schedule of seven meets.

The winning of six straight by large scores showed the speed of the team. The last meet was with a strong Swarthmore combination that nosed out the Ram swimmers in the last race.

Kerper, the sophomore backstroke sensation, set a new record at the "Y" pool during the Loyola meet and repeated his performance in the Swarthmore meet. He has remained undefeated in the 150 yard backstroke and also in the 440 freestyle throughout the entire season.

Highlight of the successful season came when the Purple and Gold swimmers garnered the Middle Atlantic Conference Championship at Franklin and Marshall College at Lancaster. The Ram tankmen outscored Lehigh, Swarthmore, Delaware, Franklin and Marshall, Dickinson, and Drexel.

The West Chester Varsity Basketball Team under the direction of Coach Messikomer and Captain Lou Reynolds, proved themselves a tough outfit to all opponents. The cagemen closed the season with twelve victories and seven defeats.

After three successive victories, the team met its first defeat at Bloomsburg. A thrilling game was staged at Lock Haven. Four extra periods were played before the "Ramites" bowed to the upstate squad. Again the hoopsters proved their skill by winning five in a row.

A new record was rolled up in Ehinger Gym when the dribblers, led by their captain, caught fire and blasted the Pharmacists from Philadelphia 97 to 37.

Still hot, our Rams gave their best performance in defeating a fast Millersville combination. The last two games were the exciting but heartbreaking type. Running neck and neck the whole way, the dribblers were stopped by the gun, leaving Rider and Stroudsburg triumphant by two points.

The basketballs will go on the shelves until Fall, when the boys will get ready for a bigger and better '48-'49 season.

GYM TEAM

The Gymn team under Captain Donald Haley had a very successful season. Unfortunately, Haley was injured early in the season, but the team pitched in and took over his work. They made a very fine showing both in competition and exhibition work.

Outstanding performances were turned in by Francis Monty, Charles Clemens, and acting Captain Frank Ellis. In exhibition work Kitty Erb, Jo Suter, and Arville Wintermyer, women physical education students, aided the team immensely.

GOLF TEAM

The West Chester golfers returned to the links for the first time since pre-war years. Although the Rams were able to win only one of their eight matches, their return to the sport marks the initial step toward molding a strong team for future competition.

Matches with Temple, Albright, the Princeton J.V.'s, and other formidable foes paved the way for West Chester's bid for future eminence in golfing.

TRACK—1947 STATE CHAMPIONS

Coach Earle Waters and his track team did it again! The 1947 season found the W.C.S.T.C. team unbeaten and untied. This record was in keeping with the fine record that West Chester track teams have had in the past.

The team was captained by the most capable sprinter, Al Snyder. Varsity letter winners for the 1947 season were Bob Ballentine, Bill DeCampli, Quentin Dietrich, Byron Dewitt, Don Evans, Art Freiler, Ken Howard, Jack Hoerner, Joe Jurich, Leroy Jenkins, Bill Ketterer, Bob Kerper, Dave Kirk, Joe McGinley, John McDowell, John Moon, Herm Oschell, Walt Quay, Bob Scholink, Herb Truxton, Clayborne White, and Paul Willey.

On May tenth the track and field athletes of Coach Earle Waters became the State Champions for the third consecutive time. In three events, the shot put, the two mile, and low hurdles, W.C.S.T.C. took both first and second places. Individual State Championships crowned Evans, who won the two-mile run. Final score of State Championship: West Chester State 70½, Shippensburg 58, Lock Haven 40½, Bloomsburg 33, Millersville 4, Slippery Rock 3, and Edinboro 1.

Interest in the revival of lacrosse on campus was high, and as a result over fifty candidates reported for the open practice. However, owing to lack of equipment, we did not have an organized practice before the first game. As a result we were swamped by the powerful R.I.P. team, 19-0. Then the tide began to flow in another direction, as our inexperienced but willing players held Drexel to a 3-3 tie, and then went on to defeat the University of Delaware twice by scores of 11-3 and 10-4.

We were gratified to see that one of the squad, Captain Ben Peckerman, gained recognition for his outstanding play by being mentioned on the "All State" selections.

BASEBALL

The 1947 baseball season was ushered in with a great burst of glory as pitcher Nick Di Franks hurled a brilliant no-hit, no-run opening game against La Salle College, the first no-hitter in the history of West Chester.

After this spectacular beginning, Coach Killinger's nine, captained by Vince Di Magistris, continued to play well above average baseball to garner ten victories against six losses.

Graduation claimed pitchers Stan Dick, Nate Kendig, and Nick Carter, as well as catcher Norm Pederson, but the rest of the team remains intact. With excellent material on hand, Coach Killinger and 1948 Captain James Lynch have visions of another successful season.

MEN'S INTRAMURAL SPORTS

With the return of the service men came the formation of the intramural basketball and softball leagues. Many thrilling games have been played by the two leagues.

The basketball "tossers" of 1947 and 1948 had two leagues, the American and the National League, with ten teams on each. After playing each other twice, they had the playoff, the first four teams in each league. The final clash came when the Rover Boys of the American League met the McTavish Tech team of the National League. It was a thrilling ball game from the start, but McTavish Tech captured the trophy when they nosed out the Rover Boys by the close score 48-47.

Softball opened with a bang. Before we knew it, the playoffs were in progress, and the twirlers and home run hitters were much in demand. The Barracks Boys, after losing the first game, won the last two games from the T.W.O. team to take the title.

For the splendid organization of the men's intramurals, we owe our thanks to Marty Koons.

WOMEN'S SPORTS

Smith, Keener, Pritchard, Shaeffer, Wilson, Mensch, Shultz, Mallady, Reingler, Dunkerly, Searight, Liles.

When the autumn leaves begin to fall, the hockey sticks are in full swing at West Chester. Ruth Liles conducted the hockey tournament, which ended with the Junior "B" team taking the title. The climax of the season came with the battle of the sexes; this year the boys held the upper hand in the game. Thus, an enjoyable hockey season came to a close.

Before Thanksgiving Day rolled around, the "basketeers" found themselves ready to open the league. For the second straight year the Bloomer Girls, led by their high scoring Captain Vache, captured the honors.

Other fall and winter sports, such as badminton, roller skating, swimming, held the interests of many.

Now Spring blossoms forth, bringing out the bows and arrows, bats and balls, and predominantly the tennis racquets. After May we leave the college sports world until September.

PICTORIAL POWER

The irresistible *power* of pictures is felt in class record books just as surely as in magazines and other publications. Pictures . . . interesting, life-like and well-reproduced . . . vitalize the yearbook and serve as visual reminders of student life —as it was lived! Faithfully reproducing these pictures through the process of photo-engraving is the job of the Basil Smith System — *specialists* in publication engraving. Pictorial power to the maximum is assured by our modern facilities, years of experience and well-earned reputation.
